

How to see if you have any prepaid sessions left in the Client App

- Log into the wellnessliving achieve app with your compete performance credentials used when creating your account. (email and password)
- Choose “more” in the bottom right of your screen.
- Choose “purchases” from the menu choices.
- Once purchases is chosen, the next screen will show if you have any active purchase available for use. Underneath the title of the active purchase, it will show
 - How many sessions have been used
 - If you have any upcoming appointments using one of the prepaid sessions
 - How many remaining sessions are left in the package without scheduled appointments attached to them
