WELLNESS LIVING CLIENT APP DOWNLOAD INSTRUCTIONS

• Go to the APP or Google Play store and search "WellnessLiving Achieve App"

• Go to your "welcome" email from Compete. You will get this email once one of our staff has entered your information into our system.

Welcome	
Dear Nathan Compete Sports Performance and Rehab has just recently switched software providers! As part of our implementation processes at WellnessLiving, we are updating everyone with their login credentials. For your own records, the following information is what you can use to log into WellnessLiving:	
/our own i WellnessL Username:	records, the following information is what you can use to log into iving: Pauhad.us For your privacy, your password is encrypted and we are not able to retrieve it should you forget it.

- Hit the reset password link and choose a password for your account
- Go back to the app and use the email and password chosen to log into the app.
- Make sure you have read and signed the online waiver.
- Under My Profile
 - Add all client information like birthday, address, emergency contact, etc. (make sure the information being entered is for the client being seen at our facility, not their parent)
 - Choose the "billing" section and add a credit card for payments

<u>On this app you will be able to see your scheduled appointments and update your billing information. All scheduling will still be done through Bethany and Chris</u>
